Déjà Vu

Thoroughbred/Oldenburg, 16.2, Dark Bay Mare (2004.05.28) **Sire:** Guided Way; **Dam:** Gold First

Déjà Vu is a quiet mare with an easy temperament and lovely movement. She is trained for both dressage and for harness (by Randy Bird) - a great combination of skills. Déjà Vu was bred to Harvard in 2008 and presented a beautiful foal at the Oldenburg Mare Show in 2009: she was subsequently bred again to Harvard on a foaling heat May 2009. Her foals are quiet and are a pleasure to handle and work around. Déjà Vu offers the complete package and is a wonderful and exceptionally quiet brood mare; she easily clips, baths, braids, cross ties, trailer ties, ground ties, trailers and is excellent around children and dogs as well as with both the vet and farrier. Déjà Vu is an easy, wonderful broodmare and outshines her competition with her superior movement. See video: <http://www.youtube.com/watch?v=hK-36nQOLkU>
