Hypnotic

Oldenburg, filly, Dark Bay (2009.04.19) **Sire:** Harvard;
Dam: Deja Vu; **Dam's Sire:** Guided Way

Hypnotic is a 2009 registered and micro-chipped Oldenburg foal. This elegant filly began her show career at the Oldenburg foal inspection at Pangaea Farms. Her impressive, calm temperament is paired with outstanding movement, which can be witnessed in her remarkable gaits. Her first show was overnight to the Oldenburg mare and foal show, where her bombproof, independent and willing nature was observed. Hypnotic is eager to please and easily clips, baths, braids, cross ties, trailer ties, ground ties, trailers, is quiet around dogs and is excellent with both the vet and farrier. Hypnotic's attitude paired with outstanding movement will prove significantly in the show ring.

Show and Breeding Career:

Hypnotic was easy to wean and eager to please Plans for 2010: local line class and then off to the Royal Agricultural Winter Fair for the Royal Breeding Horse Show

The Hanoverian was selected as the breed of choice at Fox Hollow most notably for its illustrious history of excellence. We will continue the mission of the Hanoverian legacy by producing a noble, generous and willing horse that is impeccably paired with an elastic gait, flawless conformation and keen ability to shine in all international equestrian disciplines. This is our goal; Mind, Body, Soul
